(Mary Alessi/Aaron Lindsey)

(Verse)

My life is not the same
Everything has changed
What You've done for me
You've set me free
My heart is now Your home
I'll never be alone
What You've done for me
You've set me free

(Pre-Chorus)

You removed every barrier
Erased every failure
And Your mercy shelters me

(Chorus)

I surrender all
All to You I owe
My heart is Yours and Yours alone
I surrender all
Giving everything
All that I am and every hope to be
I surrender all
