Take me to heart, here, have I ever done you wrong
If I have, I'm sorry
I want you to know that whatever's going on
I love you, but I'm worried

Cause I remember when your spirit shone
And smiling, you'd light up a room
Lately you move in shadows
But please know, that someone still believes in you

You must be so sad to be pushing us away
What makes you so mad and jaded
You're still so young, please don't give up like this
We need you around and you seem to be fading

Cause I remember when your spirit shone
And smiling, you'd light up a room
Lately you move in shadows
But please know, that someone still believes in you

Maybe you're fighting secret battles
Maybe you're disappointed with your hand
Maybe I could help you find your find a ladder
Up from the depths you're in, just let me in

Every day, I'm praying for you
For some kind of love again, for hope in your eyes
Keep yourself safe, I'm coming home soon
And I want to recognize you there

Cause I remember you from way back when
When life seemed brighter, and your smile did too
You have the power to get it back again
And someone who won't give up on you

Cause I remember when your spirit shone
And smiling, you'd light up a room
Lately you move in shadows
But please know, that someone still believes in you
