People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughin' loud and hearty
Deep inside I'm blue

So take a good look at my face
You'll see my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears

Since you left me if you see me with another guy
Seemin' like I'm havin' fun
Although he may be cute
He's just a substitute
Because you're the permanent one

So take a good look at my face
You'll see my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears

So take a good look at my face
You'll see my smile looks out of place
If you look closer it's easy to trace
The tracks of my tears
