People say I'm the life of the party  
'Cause I tell a joke or two  
Although I might be laughing loud and hearty  
Deep inside I'm blue

So take a good look at my face  
You see my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears

Since you left me if you see me with another guy  
Seeming like I'm having fun  
Although he may be cute, he's just a substitute

'Cause you're the permanent one

So, take a good look at my face  
You see my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears

So, take a good look at my face  
You see my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears
