There is a lighthouse in the harbor  
Giving guidance with its light  
But I had no one to return to  
As I wander through life

From the first time that I saw you  
Standing silent by the shore  
I knew my search was over  
And I would look for love no more

Deep in the waters of love I am falling, sinking like a  
stone  
Deep in my heart I can hear love calling  
Going once, going twice, going gone  
Going once, going twice, going gone

There is a ship on the horizon  
Making its way against the wind  
And from the place where I stand watching  
I swear my ship is coming in

Deep in the waters of love I am falling, sinking like a  
stone  
Deep in my heart I can hear love calling  
Going once, going twice, going gone  
Going once, going twice, going gone

Deep in the waters of love I am falling, sinking like a  
stone  
Deep in my heart I can hear love calling  
Going once, going twice, going gone  
Going once, going twice, going gone
