When times are hard and friends are few
And you need someone to help you through
Just call my name and I'll come running to your side
Don't be afraid don't be afraid

I will be there
When you are lost in the night
No where to run
I will be there
Don't be afraid don't be afraid

When morning comes and nothing's changed
And the world around plays the same old game
Just call on me and I will ease your lonely heart
Don't be afraid don't be afraid

I will be there
When you are lost in the night
No where to turn
I will be there
Don't be afraid don't be afraid
I will be there
When every one that you believe still lets you down
I will be there
Don't be afraid don't be afraid

Cause I will be there don't be afraid
I will be there don't be afraid
I will be there

When morning comes and nothing's changed
And the world around plays the same old game
When everyone still lets you down
I will be there

When morning comes and friends are few
You need someone you need someone to help you
through
I will be there don't be afraid
I will be there don't be afraid
I will be there

When you are lost in the night
No where to turn
I will be there
Don't be afraid
Don't be afraid
I will be there

When everyone that you believe still lets you down
I will be there
Don't be afraid don't be afraid
I will be there

When you are lost in the night
No where to turn
I will be there
Don't be afraid don't be afraid
