Tumbling curls of green by stain glass streaming light
And a yellow colored lampshade used to keep us up all
night
And the smile upon her face, the tears upon your cheek
And the night sky on the window, your heart calling out
to me

Come running home again, Katie
Come running home again
Cross my heart and hope to die
Shall I cause another tear from your eye?

The mirror that won't talk and your nightgown on the
door
And the old pedal singer just don't sing no more
You can roll the reels for hours from the movie of this
book
It's a question mark on this heart of mine sends an
elder back to look

Come running home again, Katie
Come running home again
Cross my heart and hope to die
Shall I cause another tear from your eye, Katie?

Now I'm looking through a tunnel back into the room
With the genius of a druid when the sunlight floods the
tomb
And I'm never going back there and I couldn't anyway
'Cause though I made the great escape, I never got
away

Come running home again, Katie
Come running home again
Cross my heart and hope to die
Shall I cause another tear from your eye?

Come running home again, Katie
Come running home again
Cross my heart and hope to die
Shall I cause another tear from your eye, Katie?
