Half the time I don't even hear what people are saying  
Half the time I'm so far gone not a word gets in  
I'm here you're there okay but I just want to tell you  
RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn

Which side of the coin we show is open to debate  
Either way I accept what the wind brings  
I'm here you're there okay but I just want to tell you  
RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn

Is it the way that I'm too late?  
If there's a chance you know I'll wait  
RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn

Other hands claw but mine can be gentle  
No bad blood within me  
This is a thing so rare oh it's great to be near you  
RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn

If all is fair in love and war  
Why am I here and you're so far?  
RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn

My heart's beating under a cloud  
I can't get away from you now  
RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn

My heart's beating under a cloud  
There's nothing out of it now  
RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn RÃfÃfÃ,Ã³isÃfÃfÃ,Ãn
