In this world there's a whole lot of trouble baby
In this world there's a whole lot of pain
In this world there's a whole lot of trouble but
A whole lot of ground to gain
Why take when you could be giving
Why watch as the world goes by
It's a hard enough life to be living
Why walk when you can fly

In this world there's a whole lot of sorrow
In this world there's a whole lot of shame
In this world there's a whole lot of sorrow
And a whole lot of ground to gain
When you spend you whole life wishing
Wanting and wondering why
It's a long enough life to be living
Why walk when you can fly

And in this world there's a whole lot of golden
In this world there's a whole lot of plain
In this world you've a soul for a compass
And a heart for a pair of wings
There's a star on the far horizon
Rising bright in an azure sky
For the rest of the time that you're given
Why walk when you can fly
