What do you get when you fall in love?  
A guy with a pin to burst your bubble  
That's what you get for all your trouble  
I'll never fall in love

Oh, what do you get when you kiss a guy?  
You get enough germs to catch pneumonia  
After you do, he'll never phone you  
I'll never fall in love again

Don't tell me what it's all about  
'Cause I've been there and I'm glad I'm out  
Out of those chains that bind you  
That is why I'm here to remind you

What do you get when you fall in love?  
You only get lies, pain and sorrow  
So, for at least until tomorrow  
I'll never fall in love

Out of those chains that bind you  
That is why I'm here to remind you

When you fall in love  
You only get lies, pain and sorrow  
So, for at least until tomorrow  
I'll never fall in love again

No, no, I'll never fall in love again  
No, no, I'll never fall in love
