When I was young I spoke like a child, and I saw with a
child's eyes
And an open door was to a girl like the stars are to the
sky
It's funny how the world lives up to all your expectations
With adventures for the stout of heart, and the lure of
the open spaces

There's 2 lanes running down this road, whichever side
you're on
Accounts for where you want to go, or what you're
running from
Back when darkness overtook me on a blind man's
curve

I relied upon the moon, I relied upon the moon
I relied upon the moon and Saint Christopher
Now I've paid my dues cuz I have owed them, but I've
paid a price sometimes
For being such a stubborn woman in such stubborn
times

Now I've paid my dues cuz I have owed them, but I've
paid a price sometimes
For being such a stubborn woman in such stubborn
times
Now I have run from the arms of lovers, I've run from
the eyes of friends
I have run from the hands of kindness, I've run just
because I can

But now I'm grown and I speak like a woman and I see
with a woman's eyes
And an open door is to me now like the saddest of
goodbyes
It's too late for turning back, I pray for the heart and the
nerve

And I rely upon the moon, I rely upon the moon
I rely upon the moon and Saint Christopher

I rely upon the moon, I rely upon the moon
I rely upon the moon and Saint Christopher
