Still, still, still
One can hear the falling snow
For all is hushed, the world is sleeping
Winter star, its vigil keeping
Still, still, still
One can hear the falling snow

Sleep, sleep, sleep
'Tis the eve of the baby's birth
The night is peaceful all around you
Close your eyes, let sleep surround you
Sleep, sleep, sleep
'Tis the eve of the baby's birth

While guardian angels without number
Watch you as you sweetly slumber
Dream, dream, dream
Of the joyous day to come

Still, still, still
One can hear the falling snow
For all is hushed, the world is sleeping
Winter star, its vigil keeping
Still, still, still, still, still, still
Still, still, still, still, still, still
