Daylight  
Dark light  
Blinds me  
Am I fading in light?

I can see through the fear, nice try  
Just a matter of time, it's another lie  
When the fire turns cold, who's here?  
It sure looks like it's me

Closer to the source of my pain  
Mirror yours

Oh, I'm not myself  
My God, what have you done?  
Oh, the memories of them keep coming home...

And the nightmares are good, so good  
Will I ever wake up?  
Am I here right now?  
Was the question too hard?  
Dad was right  
He said nightmares are good

Mommy, Am I dead now?  
Tell me  
Why do we...?
