Swear at the walls
They make fun of me
Day after day
Eyes that follow me
Is it you again?
Can this be the end forever?

See through your eyes
Child's heart that cries
Raven flight, flies
And the meaning dies
As it was before
It will be no more
Time does that

Say it again
Like you said
Does it sound like you?
Where are you now?
Does the young one know you're here?
Breath on the glass
Once again
Feel her pull you in
Nobody leaves
You won't let you
You're afflicted

Can you hide who you are?
Take a look at yourself
Can you stop what will be?
You think running will help?
Can't give up on the past
When the past never ends
Now the dead that you raised
Live in me

What have you done?
You're insane
Can you bring God down?
Plans that you made
Don't include me
One more time
But I will dance
On the wind
Breathing in your heart
Your sacrifice
Wasn't wanted
Still you try

Say it again
Like you said
Does it sound like you?
Where are you now?
Does the young one know you're here?
Breath on the glass
Once again
Feel her pull you in
Nobody leaves
You won't let you
You're afflicted
