"Beginning To Fly"

Say behave it's okay to be this way
We're beginning to be fly
And the wind connects you
Boy it's the fattest thing I've had
I cannot be able to move on

I won't lead you into me
It's just something that I'm knowing
Clearly this is the place
Up here in outer space

It's so clear
It's so fly
And the fattest thing that I've had
It's okay being this way
I won't lead you into me
But I'll be patient
This seems the place before us
It's fair it's so live
The fattest thing I've had
It's okay being this way
It's so big
