I'll take my time, for anyone
I'll seem alright, to anyone
I don't mean to be so open
but I'll take my time, for anyone
to waste here

You were shot down
please don't be so mean
You were shot down
please don't be so mean

I'll take my time, for anyone
Trade in my life, for anyone
I don't think i feel anything,
but I will in time, for anyone
to waste here

You were shot down
please don't be so mean
You were shot down
please don't be so mean
You were shot down
please don't be so mean
any way that you would want it
shot down shot down
I could beat it off so in between

I'll take my time, for anyone
And I'll do a lime, for anyone
I don't mean to be so afraid
but I'll take my time, for anyone
to waste here

You were shot down
please don't be so mean
You were shot down
please don't be so mean
You were shot down
please don't be so mean
any way that you would want it
shot down shot down
