Come along I'm driving
Going anywhere
Tell me anything
If it sounds like a crash
When you're telling me
Wait until we're each
In season

From a sign I'm driving
Sixty pass that speed
Tonight it's alright
If it sounds like a crash
When you're telling me
You told me when we're each

In the season
In the season

And you're screaming
And you know you can't go on
And you're screaming
And you know you can't go on
So long with me

Season
Season
Season
Season

Come along I'm driving
Going anywhere
Tell me anything

In the season
In the season

And you're screaming
And you know you can't go on
And you're screaming
And you know you can't go on
So long with me

Season
