Let's go inside
I want to be in tiny places
I'll give to you just what you need
When I'm inside you
There is no other way

I want to see
I tried so hard with you
And me to you it meant nothing

Let's go inside
I want to feel my arms around you
I take it back
I want to be in tiny places
There is no other way
I want to see
I tried so hard with you
And me to you it meant nothing

There is no way
There is no other way
