Oh, my love
Ha.
Oh, yeah
Oh, yeah

Settin' here alone invisible
Thinking 'bout the times that we have shared
Oh, my love
I'm looking at a picture in my hand
Tryin' my best to understand
I really wanna know what went so wrong
With a love that felt so strong
If only you were here tonight
I know that we could make it right

[Chorus:]
(I don't know how to live without our life)
I was born to make you smile
(Cause my yearning heart hasn't stopped yet)
I was born to make you smile
Always and Forever you and me
That's the way our lives should be
(I don't know how to live without your love)
I was born to make you smile

I know I've been a fool for lettin' you
Leave me like a heartache going off
Oh, my love
I better give it up then carry on
'Cause, living in this life of You and Me
It's killing me to see us both apart
If only you were here tonight
I know that we could make it right

[Repeat chorus:]

[Bridge:]
I'd do anything
I'd give you my heart
I'll wait forever
To Be your girl
Just call out my name

(Call out my name)
And I would be there
Just to show you how much I care

[Repeat chours x2]
