Verse 1

I want happiness
I want something that
Does not seem like a broken branch or lief
I look around
Some things seem complicated
I want people to understand and see the real me

Chours

Sometimes I hide how I feel
But that don't mean I don't hurt
I know crying that way
Is a waste of time

Verse 2

People talk to me
I try to listen
But they still don't know my feelings, they aint me
If I explain things
If they understand
A friend until the end either way they still aint me

Chours

Sometimes I hide how I feel
But that don't mean I don't hurt
If I fake a smile or laugh
I don't wanna cry
I know crying that way
Is a waste of time

Bridge

A waste of time because
I have better things to do with my life
And I know I have a reason
To be happy and to be smile
Because god is always there for me

I don't have to fake a smile or laugh

Chours

Sometimes I hide how I feel

But that don't mean I don't hurt
If I fake a smile or laugh
I don't wanna cry
I know crying that way
I know crying that way
Because just crying that way
Is a waste of time
