They say there's a place  
where dreams have all gone  
They never said where  
but I think I know  
It's miles through the night  
just over the dawn  
on the road that will take me home

I know in my bones  
I've been here before  
The ground feels the same  
though the land's been torn  
I've a long way to go  
The stars tell me so  
on this road that will take me home

Love waits for me 'round the bend  
Leads me endlessly on  
Surely sorrows shall find their end  
and all our troubles will be gone  
And I'll know what I've lost  
and all that I've won  
when the road finally takes me home

And when I pass by  
don't lead me astray  
Don't try to stop me  
Don't stand in my way  
I'm bound for the hills  
where cool waters flow  
on this road that will take me home

Love waits for me 'round the bend  
Leads me endlessly on  
Surely sorrows shall find their end  
and all our troubles will be gone  
And we'll know what we've lost  
and all that we've won  
when the road finally takes me home

I'm going home  
I'm going home

I'm going home
