2 U

I hope that you've been thinking about me

[Chorus]

I hope that you have been thinking of me too

The way that I have been thinking of you

I hope that you have been thinking of me too

The way that I have been thinking of you

Pick up the phone to call you

But I hung up cause I'm so afraid

Afraid of rejection

Or another woman in your face

Hopin' all day that you would call me

And that you're thinkin' of me too

Well in my case with the game of love

If I played I would probably lose

[Chorus]

I hope that you have been thinking of me too

The way that I have been thinking of you

I hope that you have been thinking of me too

The way that I have been thinking of you

I hope that you're thinkin' of me

And I pray every night you love me

I don't ever want what we have to end

And I'll always be your friend

Don't you feel me calling from afar

If you don't know I've been there from the start

As sure as my name is what it is

You'll always have a place in my heart

[Chorus]

I hope that you have been thinking of me too

The way that I have been thinking of you

I hope that you have been thinking of me too

The way that I have been thinking of you

Ooh, ooh, ooh....

I hope that you have been thinking of me  
The way that I have been thinking of you  
When I pray every night  
That it's me in your dreams when your sleepin'  
I really hope that I'm the that you're thinking about  
Yeah, yeah, yeah...

[Chorus]

I hope that you have been thinking of me too (I hope  
that, I hope that you've been thinkin')  
The way that I have been thinking of you (All the time,  
can't get you off my mind baby)  
I hope that you have been thinking of me too  
The way that I have been thinking of you

See I hope that it's you  
And I hope that you are baby  
Thinking of me too  
Ooh, yeah, yeah...

See I hope that you are  
Ooh, you're thinking of me  
I need for you to think about me  
Like I think about you baby  
Yeah, yeah, yeah...

I hope that it's you  
And I hope that you're thinking of, thinking of, thinking  
of me too
