Steady are you ready? (are you ready?)
What's goin on? (what's goin on?)
Steady are you ready? (are you ready)
What's goin on? (tell me what's goin on)
Cold fresh air feeeeel the mellow dip that's in the air
Ohhh yaaa, I'm bound take a look around
Ohhh, what's goin down?
However do you want me?
However do you need me?
However do you want me?
However do you need me?
However do you want me?
However do you need me?
However do you want me?
However do you need me?
Im living at the very top of the floor
There's no more room for anything more
I state my name, my name's to claim
AHHHHHHHHHHHHHHHHHHH
This is M. J. B.

[Jadakiss]
Uhh yea, now girl step up to Kiss
You sippin' red zyphandile, step up to crys
The coupe got 19's, the chain's got nice gleam
Girlfriend, you been scooped like ice cream
Your ass is fat, your frame is little
Got the door knockers on with your name in the middle
On the dance floor gettin it in with me
Might let you and your friend hit me
Soon as the wind hit me
I live dare, legendary the top of the globe
So there is no more room for anything more
And I state my name, my names to claim
Jadakiss I done came here and changed the game
Now we at the point where your birthdays is costly
Got you a scotted outfit and a teacup yorkey
Head so crazy that it's killing me softly
Sit down tell me how you want and how you need me
Its the bomb Mary and Clue please believe me

However do you want me?

However do you need me?

However do you want me?

However do you need me?

However do you want me?

However do you need me?

However do you want me?

However do you need me?

However do you want me?

However do you need me?

However do you want me?

However do you need me?

However do you want me?

However do you need me?

However do you want me?

However do you need me?

However do you want me?

However do you need me?

[repeat ad infinitum to fade]
