Clouds are spreading like bruises on the evening sky  
I walk the streets alone again tonight  
It starts to rain still I search each passing face  
Blood is blood and blood don't wash away  
Blood is blood and blood don't wash away

I got a heart that ripped  
I got a sound that's torn  
I got a hole in me like I was never born

Blood is thicker than water blood is bound by God  
I don't know who I am I don't know who I'm not  
I don't know my name I can't find my place

Blood is blood and blood don't wash away  
Blood is blood and blood don't wash away

BLOOD IS  
I walk  
BLOOD  
The street  
AND BLOOD  
Alone  
DON'T  
Again  
WASH  
Tonight  
AWAY
