Baby...
How could you leave me standing
All alone out there?
What happened to our love it seems
You don't care
I can't go on like this baby no more
Baby I'm scared
Baby I'm scared
Oh hold my hand
And reassure me that our love will
Last this time
Cuz you're the only one forever on
My mind
I wont go on like this but you know
I'll be fine
Boy I'll be fine
Yea yea
I can't seem to get you boy
Off my mind
Get you of my mind can't get you of
My mind
You're the only one I love
You're all my life
Boy you're all my life [x2]
I don't wanna break up
Cuz that's gonna break my heart
Again
And I don't wanna make up
Cuz we're just gonna be apart again
I don't wanna see your face
But I missin you babe
Now the truth is that it hurts
But I'm so over love
Love love love
Love love love
Love love love
Love love love
Oh baby
This love is so exhausting and I can't
Take no more
Keep pulling back and forth just like

A...
See if you really love me then you'll
Set me free
If we can't be happy
I can't seem to get you boy
Off my mind
Get you of my mind can't get you of
My mind
You're the only one I love
You're all my life
Boy you're all my life [x2]
I don't wanna break up
Cuz that's gonna break my heart
Again
And I don't wanna make up
Cuz we're just gonna be apart again
I don't wanna see your face
But I missin you babe
Now the truth is that it hurts
But I'm so over love
Love love love
Love love love
Love love love
Love love love
I don't wanna break up
Cuz that's gonna break my heart
Again
And I don't wanna make up
Cuz we're just gonna be apart again
I don't wanna see your face
But I missin you babe
Now the truth is that it hurts
But I'm so over love
Love love love
Love love love
Love love love
Love love love
