[Kap]

Funk Flex, Big Kap
Mary J, Def Jam, let's go

[1 - Mary J. Blige]

Confrontation, confrontation
Confrontation, confrontation
Confrontation, confrontation
Confrontation, confrontation

[Mary J. Blige]

Are you mad because I turned it around?
But if I stayed the same
You would still be running your mouth, oh
You never doubt the Queen of Hip-Hop soul
I never let you down cause I'm on a roll
My new cd is in your store
So pick it up and feel my soul

[Repeat 1]

[Mary J. Blige]

Everybody wants to know where I've been
Cause living life the way I do seems to be a sin, oh
But that stuff follows me everywhere I go
Get out of hair cause shit is out of control
Don't come too close to cause you never know
What I would do if you disrespect me

[Repeat 1 till end]
