[Mary]  
Lately I've got this funny feeling  
Something don't feel the same  
But he's telling me I'm the one to blame  
Yes I know that he still gives me good loving  
But when he's deep inside  
There's somebody else on his mind

[1] - [Aretha] Don't waste your time  
[Mary] But it gets so hard to know  
[Aretha] Just walk away  
[Mary] You say that I gotta let go  
[Both] Seen it a millions times before  
[Aretha] You shouldn't take his stuff no more  
[Mary] Can't waste my time  
[Aretha] Girl, it's not hard to know  
[Mary] Should walk away  
[Aretha] Oh, you've gotta let him go  
[Both] Seen it a millions times before  
[Mary] Shouldn't take his ish no more

[Aretha]  
Sister girl, sister girl  
It's much deeper than what you're thinking  
When something don't feel the same  
Hey you better believe his love has change  
(And I have been telling you, telling you)  
And what you're telling me  
(Cuz it's been hurting me, hurting me)  
It ain't, ain't any fool can see  
He's got a sweetie on the side  
Stop making truth out of his lies

[Repeat 1]

[Aretha & Mary]  
What's the point of love  
When you got no trust  
What's the point of staying  
When you seen enough  
What's the point of giving

What he don't deserve

[Mary]

He don't deserve it

No you don't deserve it

[Aretha]

Oh what's the point of feeling

[Aretha & Mary]

Like there's nothing inside

What's the point of saying

That you still got your pride

What's the point of giving

What he don't deserve

This is a lesson of love

[Repeat 1 with ad libs until fade]
