(Chorus)

Everyday it rains  
Everyday it rains 'cause things will never be the same  
Everyday it rains  
Things will never change cause I am not the one to  
blame

How can I try to make you understand that I'm  
Only living a lie  
'Cause I have to walk around everyday  
With a smile  
Everyday

(Chorus)

Waking every morning knowing you're not there  
Is the only thing that gets me scared  
All I do is think of you and all the love we shared  
Everyday

It keeps on rainin in my life  
It rains  
And every day's the same  
Baby you brightened up my life  
So realize

Everyday it rains yeah  
Things will never be the same  
I am not the one to blame  
Just because it rains everyday oh

I'm not the one to blame

Believe me when I say that it rains everyday  
Got a cloud over me all the time and I  
Don't know why it rains  
It rains and rains

(Chorus)

Waking every morning knowing you're not there

Is the only thing that gets me scared  
I don't know when you're comin home  
But I'll be waiting with open arms  
Believe me when it rains  
It rains for real
