[JD]

So So Def come on  
Uh, say what?  
Y'all know what it is!  
Mary come on

[Mary (JD)]

It's all because of you (uh-huh)  
I'm never sad and blue (uh-huh)  
You brighten up my day  
In your own special way  
Whenever you're around (uh)  
I'm never feeling down  
You are my trusted friend  
On you I can depend, take me

[Mary]

You take me away  
And you bring me paradise  
And when I have cloudy days  
You bring some sunshine in my life, oh

[Mary]

You are everything and everything is you  
Oh you are everything and everything is you

[JD]

Now when you hear something fresh it's me  
All throughout the East and the West it's me  
Chi-Chi-O, the new flows, the new clothes  
Smoking Maganudos, shopping new hoes, you know  
Keep me a buzz from the Cristal fluid  
Taking out you suckers and you don't know how I do it  
Its tha don what, with the reputation  
For making everybody dance till the sun come up

[ROC]

We going all the way to the top  
Mary Blige and ROC  
The Queen of R&B, the King of Hip-Hop  
So stop, y'all ain't no match for us

Never drop gold, everything platinum plus  
Now throw your hands in the air  
Get close to honey there  
The ladies had their night  
But fellas it's our year to do our thang  
Make girls scream and get the cream  
Now listen to Mary sing  
Tell 'em I'm everything

[Mary]  
My darling only you  
Can make my dreams come true  
And every night I pray  
You'll never go away  
I promise I will try  
Until the day I die  
To treat you like a king  
'Cuz you are my everything

[Mary]  
You take me away  
And you bring me paradise  
And when I have cloudy days  
You bring some sunshine in my life, oh

[Mary (JD)]  
You are everything and everything is you  
Oh you are everything and everything is you  
You are everything and everything is you  
Oh you are everything and everything is you  
(Y'all know what it is)  
You are everything and everything is you  
(Mary J, So So Def)  
Oh you are everything and everything is you  
(All day, every day, now what y'all wanna do?)  
You are everything and everything is you  
(What y'all wanna do, huh? Huh, what y'all wanna do,  
huh?)  
Oh you are everything and everything is you  
(Huh, y'all know what it is, tell me, come on)

[JD]  
What y'all wanna do, huh? (Yo)  
What y'all wanna do, huh? (Yo, yo)  
What y'all wanna do, huh? (Yeah, yeah)
