It's not all about the money
(It's not all about the money).
Cause I love what I'm doing for the people.
(I really love doing my job, I really do).
Don't know were I would be if this didn't happened.
(You know...)
But I finally made it...
(A lot of us don't graduate from high school. A lot us
don't get a chance at being a superstar. A lot us don't
get a chance
To fulfill our dreams and I'm thinking like God! If I
wasn't doing this what would I be doing? Probably like
braiding hair.
Working at a super market. You know? Just hustling two
jobs you know what I mean? At least trying to live.)
La, la, la, la
(I lost so much you know? I lost so, so much over the
years cause like it's amazing how when you decide that
you wanna do
The right thing. When I say I "Finally Made It" I don't
mean like successfully, or wit money, I mean like...
I'm spiritually successful right now. You know like
trying...)
Never give up, never give up, never, never give up,
never give up...
(I'm on my way to like... A place were I know... I never
dreamed were I would be and that?s perfection... I'm
striving for
That... I don't think no one can ever be perfect, I'm
striving again, striving against all things... So what I'm
saying to
All my fans is... If I can do it.. I know ya'll can do it
too...)
