"Get Out"

At that time in my life,
I was moving way too fast,
I thought Im the one for myself,
For my eyes I was blind.

Locked in my stupidity,
Messed up was my mind,
Now here comes history,
Bring these walls all tumbling down.

Cant some-one help me get out?,
Wanna break free here and now,
Cant some-one help me get out?,
Gonna break free with-out a doubt.

Shut my eyes i was oh so blind,
Shut my senses i did not fight.
Shut my eyes i was oh so blind,
Shut my senses i did not fight.

Now my world's turned around,
Im heading for a better life,
Just as I never thought I'd see,
Now its coming right on time.

Locked in my stupidity,
Messed up was my mind,
Now here comes history,
Bring these walls all tumbling down.

Cant some-one help me get out?,
Gonna break free here and now,
Cant some-one help me get out?,
Gonna break free here and now,

Shut my eyes i was oh so blind,
Shut my senses i did not fight.
Shut my eyes i was oh so blind,
Shut my senses i did not fight.

Cant some-one help me get out?,

Gunna break free here and now,
Cant some-one help me get out?,
Gunna break free with-out a doubt.
