Youre on my mind every day constantly  
Im tired of holdin back the way I feel  
Cause what I feel, baby, for you is real  
You give me everything I want (Everything)  
A little more than what i need (A little more,

I never felt like this before (Ooh)  
Thats why I wanna give you all of me (Im hooked)  
Im hooked, babe  
On your love, you got me wondering  
Sexy (Sexy, sexy, baby)
