Can't live without you
(Can't live without you)
Can't live without you, baby
(Ohhh)
Can't live without you

[Chorus]

I never wanna live without you baby
I wanna be your lady
Love is sooo amazing

I never wanna live without you baby
I wanna be your lady
Love is sooo amazing

[Verse 1]

What is this feeling? I can't sleep at night
Just thinking 'bout being without you
Work 'til I'm tired and I can't eat a bite
'Cause I know someday is only...

[Chorus]

[Verse 2]

I have the man that I want
I prayed so many nights for you and then my prayers
came true
Now that I have the answer, I'll be wishing on a star
I'll follow you where you are

I don't wanna be alone so baby let's stay together
Through any kind of weather, yeah
Let's make a happy home because you mean so much
to me baby
That's why I wanna be your lady

[Chorus 2x]

I don't wanna be alone so baby let's stay together
Through any kind of weather
Let's make this a happy home because you mean so

much to me baby
That's why I wanna be your lady

[Chorus]

Baby, won't you stay with me a little while?
(Baby, won't you stay?)
Baby, won't you stay with me a little while?
(Stay with me for a little while)
Baby, won't you stay with me a little while?
(All I wanna know is...)
Baby, won't you stay with me a little while?
(...can you stay?)
Won't you stay with me?
I need you
Oh, I need you
I need your warm embrace
I need your sweet, sweet taste, baby
C'mon, c'mon. C'mon, C'mon
Stay with me
Stay, stay
