(Vs.1)

Remember all the days when loving you was easy
You used to hold and squeeze me all through the night
I wanna make you feel like you never felt in your life
Just wanna make it alright
So hold on tight

Baby I'm going down
'Cause you're never around
And I'm feeling like I can't let go
Please stay with me
(Baby, please stay with me)

Deep inside I'm slowly dying
And through all my screams and crying
I am holding on with all my might
Why can't you see...

(Chorus)
I'm going down
I'm going down
I'm going down
I'm going down

(Vs.2)
Please tell me why you feel this way inside
I really need to know so I can ease my mind
I wanna make you see that I'm everything you need
Your every wish, your dream come true, your fantasy

Baby I'm going down
'Cause you're never around
And I'm feeling like I can't let go
Please stay with me
(Baby, please say with me)

Deep inside I'm slowly dying
And through all my screams and crying
I am holding on with all my might
Why can't you see...

(Chorus)

Don't know what's happenin' to me
I'm feelin' realy crazy
Is it because I'm goin' down?

Sometimes I still don't know why
I sit around and I cry
It's all because I'm going down
