[Chorus]

And it's on, and it's on,
And it's on, and it's on,
And it's on tonight
It's about time that we met
And it's about time a love I won't forget
[repeat]

[Vs.1]

[R. Kelly:]

For so long I've waited for the chance
To be with you
And to lie with you baby
In my dreams I take you by the hand
In our house on the beach
Making love on jet black sand

[Bridge:]

Baby finally the time
Has come for us to share
The joy that we will need
And nothing can compare

[Chorus]

[Vs.2]

[Mary J:]

I waited all my life
Boy for you to come along
And make that joyful sacrifice
Two kids, a dog, and a home
Is like a dream come to life
When I look into your dazing eyes

[Bridge]

[Chorus]

All my life I've waited
To get next to you
You, baby you

And every night I've prayed
Your love would come my way
