[Intro]

Ooh, I can't believe it
Could this be love, ya'll
Could it be love
Could it be love
At first sight

[Puffy]

Come on, let's go
I see ya Mary
I like this right here, you ready?
Queen of Hip Hop & Soul
Bad Boy, Mary J. Blige
Yeah, back together again
Let's go

[Mary J]

Looking at you from a distance
Getting all of my attention
Could this be love at first sight, baby

You walked away and I missed you
Visions of wanting to kiss you
How could this be if I don't really know you
Ah baby, baby
Could it be

1 - Could it be love at first sight
And I never knew that I
Could fall in love on the very first night
Ooh, could this be love

You had on the latest fashion
It was a big attraction
It drew me closer and closer to you
Yeah baby

I've never done anything like this
But you, I just could not resist
I swallowed my pride and snapped to your sound
Oh could it be, be

Repeat 1

I wanna know if you could call me up
Then maybe someday we just might hook up
Could this be love at first sight

[Method]

Yo, once again, it's that other M&M now
How many women feelin' 'em
Somebody call the coronor, quick, Mary you's killin'
them
Tell 'em what's the 4-1-1 and who came runnin'
When Clef dialed 9-1-1 from shots commin'
It's something for the radio, guest starring MC
John Blazing the hip hop and R&B
What? You betcha wasn't gon' see me
You can't spell Mary J. Blige without a JB
But back to the matter and the sex on a platter
She only wanna be happy and I ain't mad at her, you go
mama
Now adays I'm more calmer
And if you take a look at my life, no more drama
Now you know
You searching for a Wu-Tang pro
You find me just about everywhere the Pu-Tang go
Now you know
Feel me like your favorite love song
Cuz my computer love is the truth dot com

Repeat 1 until fade
