(Duet w/ Faith Evans)

(Chorus)

You abandoned me
Love don't live here anymore
Just a vacancy
Love don't live here anymore

Faith:

When you lived inside of me
There was nothing I could conceive
That you wouldn't do for me
Trusting so far away
You changed that right away

(Chorus)

Mary:

Love don't live here anymore
Just emptiness and memories of what we had before
You went away
Found another place to stay
Another home

(Chorus)

Faith:

Through the windows of my eyes
Everyone can see
The loneliness inside of me
Why you had to go away
Don't you know I miss you so
I need your love

Chorus (x2)

Love don't live here
Love don't live here anymore (x4)
