Sitting here all alone on Valentine's Day  
I really wanna call him up  
But my pride is all in the way, hey  
Picture's getting clearer  
I see what's been going wrong for years  
The ones you say are far, really are so near  
I'm thinking of

[1] - Roses that you sent to me  
All the kisses that you gave to me  
Memories of what we used to be  
All alone this special day  
Thinking 'bout the time you went away  
Valentine's Day will never be the same

How come men nowadays bring you so much joy  
And so much pain  
Can anybody help me?  
I think I'm going insane  
Valentine's Day will never be the same  
Cause I think about you always  
I cherish everything you gave to me  
I'm thinking of

[Repeat 1]

You took my love for granted  
Then you mean to think that  
Everything was fine between me and you  
Everytime this day comes around  
I wanna feel your touch  
I can't believe what you did to me  
I hate cha, did me wrong  
But still I must move on

I gotta move on, ooh oh

[Repeat 1 until fade]
