[Intro] If my mother was out there, I'd dedicate this to her tonight

Oh, it's been such a long long time
Looks like I'd get you off of my mind
But I can't
Just the thought of you, my love
And my whole world turns misty blue
Oh, honey, just the mention of your name
Turns the flicker to a flame
Listen to me good baby
I think of the things that we used to do
And my whole world turns misty blue
Baby, baby, baby, baby
When I say that I'm glad we're through
Deep in my heart, I know I've lied, I've lied
Baby, baby, when I say that I'm glad we're through
Oh, deep in my heart, I know I've lied
I know I've lied
Oh, oh, hey
Baby, baby, baby, baby, baby, baby, I can't forget you
Heaven knows I try, heaven knows I try
And, oh, hey, hey, hey
Oh, no I can't, no I can't, oh, I can't, I can't forget you
And my whole world turns misty blue
Hey, hey, yeah
Oh, baby, baby, baby, baby, baby, baby, I can't
Said I can't forget you
If you know the song, sing along
Ooh, cause my whole world turns misty blue
And I wanna say, before I go right now tonight y'all
Because I don't have anything else unless
You wanna hear it
I wanna say from the bottom of my heart
Now I really know what love is

> From a distance
And it's real love
And I wanna thank each and every one of you
For supporting me, cause I couldn't have done it
without you

And I'd be misty blue if I didn't have your love
And if it was you
I'd be out there screamin and cheerin for you
