Oh me (2x)

Tired of all this drama (5x)

No more pain, no more pain (Tired of all this drama)
(5x)

No more pain, no more pain
God I'm hurting
No more pain, no more pain
God I'm hurting
No more pain, no more pain
No
No more pain, no more pain
No

I'm about to loose my mind (3x)
Lord help me, help me
I'm about to loose my mind (3x)
Lord help me, help me sing

No more pain, no more pain
No
No more pain, no more pain
No

No more tears, I'm tired of crying every night
No more fears, I really don't wanna fight
No more drama in my life (3x)
I don't ever wanna hurt again

So tired
Tired of all this drama (2x)

Pain
No more pain
No drama
No more drama in my life

Broken heart again
Another lesson learned

Better know your friends
Or else you will get burned
Gotta count on me
Cause I can guarantee
That I'll be fine
(pain)
No more pain
(no more pain)
No more pain
(no drama)
No more drama in my life
(no more in my life)
No one's gonna make me hurt again

Why'd I play the fool
Go through ups and downs
Knowing all the time
You wouldn't be around
Or maybe I like the stress
Cause I was young and restless
But that was long ago
I don't wanna cry no more

(no more pain)
No more pain, No more pain
(no more games)
No more games
(no drama)
No more drama in my life
(No more in my life)
No one's gonna make me hurt again, no more
(no more tears)
No more tears, I'm tired of crying every night
(no more fear)
No more fears, I really don't wanna fight
(no drama)
No more drama in my life
(no more in my life)
I don't ever wanna hurt again

Oh, it feels so good
When you let go!
Of all the drama in your life
Now you're free from all the pain
(free from all the pain)
Free from all the games
(free from all the games)
Free from all the stress
(free from all the stress)
So find your happiness...

I don't know...
Only God knows where the story ends, for me
But I know where the story begins
It's up to us to choose
Whether we win or lose
And I choose to win

I'm about to lose my mind!!! (3x)
Lord help me sing

(no more pain)
No more pain, tired of hurting
(no more games)
Tired of you playing games with my mind
(no drama, no more in my life)
No more (7x)
(no more tears)
No more tears, no more crying every night
(no more fear)
No more waking me up in the morning with your
disturbing phone call
(no drama, no more in my life)
Baby no no yeah!!!

No noâ€¦
(no more pain)
No moreâ€¦ tired
(no more games)
No more games, I'm tired
(no drama, no more in my life)
No more, no more (8x)
No more!!!
