[Prodigy]

First of all we the one and only  
Infamous and Mary Blige  
Coming straight ghetto poetry  
And ain't nothing changed but the size of the money  
I'm still that same 'g'  
Can you say the same thing?

[Havoc]

Must be blind to the fact Mary Queen on the wax  
We the king on the streets  
Ain't know where your heart is  
Look inside and you'll find an entertainer  
One of a kind  
That's way ahead of her time  
Take a look

[Mary]

I need to know  
If you can get into my mind  
Stimulate it  
Give me good love all the time  
Or are you just another man  
That's after me for all my paper  
Looking for a ride that's free

[Mary]

Deep inside I wish you'd see  
That I'm just plain old Mary  
Deep inside I wish you'd see  
That I'm just plain old, plain old Mary

[Mary]

Now you see for seven years I've lived life openly  
So it's hard to find someone who really knows me  
So I say the things just so that you can know  
That you can't be with me  
If you're trying to chase my dough

[Mary]

If you take away the house

And you take away the clothes I wear  
And you take away the diamonds  
I'mma still be standing here  
And if you take away the ice and the money  
I will always be my nigga's favorite honey  
And if you take away the car I drive  
I'mma still be Mary Blige

[Mary]  
Deep inside I wish you'd see  
That I'm just plain old Mary  
Deep inside I wish you'd see  
That I'm just plain old, plain old Mary

[Prodigy]  
We'll separate the bullshit from the truth  
Straight up, I ain't got time for new friends  
I need paper we came up from the trenches  
It was like pulling teeth without sedation  
From the benches to the Bentley seats  
Nigga we the M-O-B-B  
What you ain't heard?  
You can't see?  
Ever since the cash they wanna hound P  
Oh now you got L-O-V-E for me

[Havoc]  
Doing this for about a decade Mobb and Mary  
Troopers in the game with a heavy load to carry  
After all the trials and tribulations  
Rumors we faced, the media invading our space  
That's the price you gotta pay  
Take away by size of whips  
I'mma just plain old me at the end of the day  
You can say what you choose  
God gonna see me through  
Criticize all you want till your face is blue  
I know you see

[Mary]  
If you take away the house  
And you take away the clothes I wear  
And you take away the diamonds  
I'mma still be standing here  
And if you take away the ice and the money  
I will always be my nigga's favorite honey  
And if you take away the car I drive  
I'mma still be Mary Blige

[Mary]  
Deep inside I wish you'd see

That I'm just plain old Mary  
Deep inside I wish you'd see  
That I'm just plain old, plain old Mary
