Whoa, whoa, whoa, whoa, woooo [2x]

Seen many men in my time
But none of them compare to mine
I ain't gotta knock on wood
To tell y'all that I got it so good
He's everything that I need and
All that a man should be
Put me on a flight if I wanna
Buy out the mall if I wanna

[Hook]

And I know ya'll heard before
These same old metaphors
My love is so much more
I don't wanna change it
I don't wanna do without ya baby
Cause he's just above the rest
I must confess the best
Love that I've ever had
And I just gotta let you know this

[Chorus]

Don't let 'em tell you nothing different
You're the only one I'm needing
I don't want no one but you
Baby no one will do
And what they say don't even matter
They don't know what I know about ya
I don't want no one but you
Baby no one will do

It's me and him through the wire
Cause when it comes to love he delivers
My personal UPS
I'm sending him an SOS
That I love him and I want him
And don't wanna replace him with nobody else
I'mma keep holding on
I'mma keep the loving strong, ayayyyy

[Hook]

[Chorus]

I don't want nobody, nobody, nobody, no, no, no, no-
body but you

I don't want nobody, I don't want nobody

You're the only one for me boo ohhohhh
