I wanna talk to the ladies tonight  
About situation I'm pretty sure y'all be able to relate to  
Trust me

Today I'm not feelin pretty  
See I'm feeling quite ugly  
Havin one of this days  
When I can't make up my mind  
So don't even look at me  
See I don't wanna hear your problem  
Cause I'm having some of my own  
I know it was not your fault  
That I'm feelin down  
I just wanna be left alone

Down I'm down and out in depression  
I think the worst of everything  
My lower back is achin'  
And my clothes don't fit  
Now aint that a bitch

Got an attitude and I aint talkin to you  
Only if the shoe'd fit  
I don't care what you think about me  
I don't need you cryin' around me  
Don't need your sympathy  
I don't need it, no no  
PMS

Go through something in nights  
Is the some at day  
I don't need to understand  
Where I'm coming from tonight  
See I'm feelin messin  
Told you, you would be able to late tonight  
My lower back is achin'  
PMS

And I don't know what I'm gonna do  
I'm fullled stressed  
I want y'all to hear what I'm sayin

PMS, PMS, PMS

Understand what I'm sayin tonight  
Understand where I'm comin from  
Feelin really bitch yeah  
And I don't feel like be a nice to nobody  
Don't feel like smilin no  
Don't feel like smilin no no  
See I already know that I'm talkin  
PMS

And I don't need you to remind me  
See cause PMS  
Is takin no all right now  
If you understand, understand where I'm comin from  
Sing along, PMS  
This is the worst part of everything  
The worst part of being a woman is PMS  
Give me a break, give me a break  
Cause I don't wanna have to set it on tonight
