[Chorus:]

Round and round I go  
Where I stop  
You will never know  
Round and round I go  
Where I stop  
You will never know

[Verse 1:]

I just don't understand  
What is your master plan  
What did you have me do  
Confusion in my mind  
Been hurt a thousand times  
Now I know you're not true  
(That's why I can't be with you)

You don't know what it meant to me  
Just to make you happy  
All this time I've waited  
Now our love has faded  
Please tell me why it's gone  
So my life can go on

[Chorus]

[Verse 2:]

I told you once before  
I'm walkin out the door  
I'm leaving you behind  
Thinking bout you all the time  
Makes me so sad and blue  
Now what are we gonna do  
(That's why I can't be with you)

You don't know what you did to me  
When you told me you loved me  
Now you're actin' shady  
Now I'm goin crazy  
Please stop holdin back from me  
Cause I got to keep from goin round

[Chorus]

Oh, ohhhh  
Oh, ohhhh  
Oh, ohhhh  
Oh, ohhhh

[Chorus]

You promised me you'd never leave  
You said you'd stay with me always  
Always  
You'd never leave

[Chorus]

(You'll never leave)
