[Verse 1:]

Boy if you stay I'll always make sure  
That you look to see a brighter day  
Don't let our lovin' slip away  
The things you do, they always make me feel  
Like there's no one else but you  
Promise you'll be true  
Always

[Chorus:]

Share my world  
Don't you leave  
Promise I'll be here  
Whenever you need me near  
Share my world  
Don't you leave  
Promise I'll be here  
So baby don't you have no fear

[Verse 2:]

To be with you would be like paradise  
Everything would be so nice (so nice), so right (so  
right)  
The joy you bring to me makes me feel so  
Good inside  
It's so right (so right), so high  
Just thinkin about you  
And my feelings I just can't hide

[Chorus]

I don't know what I would do  
(Would do)  
Without you (you)  
When I'm down and out  
I think about  
The good love you give to me  
Oh, the love you give to me  
I'm so happy  
So share, share my world

[Chorus]

Ooh, la la la  
Won't you share my world  
Won't you share my world  
[Repeat until fade]
