Honey sit down,
I've got something to say.
Last night I drowned,
I got carried away.
Swept up in the feelings,
The words poured out of me.
This morning I'm scared,
I don't know how to be.

My heart moves
With the morning sun.
It's not ready
To set for anyone
When I said I love you
It was a slip of the tongue.

I didn't lie
But it wasn't the truth
I know it's not right
But what can I do
My memories hold me
They never let me go
There's someone on my mind
And I think you should know

My heart moves
With the morning sun.
It's not ready
To set for anyone
When I said I love you
It was a slip of the tongue.

Love is more than a feeling
It's a way of living everyday
