[Verse 1:]

We've been through the storm,
We've been through it all
We had some close calls,
But never would fall
We climbed all the mountains,
Walked through all the valleys,
And you never left me behind

I found my way through the clouds,
No more running scared and closing my eyes
I will be true, this love from my heart,
I'm laying my life on the line

[Chorus:]

Oh I will survive,
As long as it's you by my side
I will survive,
As long as it's you by my
side
I'm stronger, stronger, stronger
I'm stronger, stronger, stronger

[Verse 2:]

They said we wouldn't make it,
But guess what, we made it
And deep down, I'm wondering how
You were always for me,
Never been the one to hurt me
You gave me peace of mind

I found my way through the clouds,
No more running scared and closing my eyes
I will be true, this love from my heart,
I'm laying my life on the line

[Chorus:]

Oh I will survive,
As long as it's you by my side
I will survive,
As long as it's you by my side

I'm stronger, stronger, stronger
I'm stronger, stronger, stronger

Sometimes I can't believe,
That you are with me
There's nobody lucky as me
So I get on my knees,
To make sure that He
Knows that I'm grateful,
For what He gave me

I will survive

[Chorus:]
I will survive,
As long as it's you by my side
I will survive,
As long as it's you by my side
I'm stronger, stronger, stronger
I'm stronger, stronger, stronger

Said I'm stronger with you babe
I will survive, with you by my side
