I've had some good days
And I've had some bad days
I know about heartbreak
Didn't think that I can make it
I know how it feels to have money
I know how it feels to be broke
And I can tell ya 'bout lonely
Cause I've been there before

Lord, when I raise my head up to the sky
All of the emptiness was gone
If you believe, you'll see in time
That everything will be all right

[Chorus:]
It's gonna be all right
Everything will be ok
This is her testimony -- Mary's story
Trouble don't last always

Through my trials and tribulations
I still believe
That god had a greater plan for me
Exceeded all my expectations
But when he gave me what I need
And now I'm set free

Lord, when I raise my head up to the sky
All of the emptiness was gone
If you believe, you'll see in time
That everything will be all right

[Chorus]

This is my story
This is my song
(This is my song)
This is the day I celebrate
My trouble's are gone

[Chorus]

It's all right
It's ok
He wiped all my tears away
(He wiped them away)
It's all right
It's ok
Trouble don't last always
(Trouble don't last)

It's all right
It's ok
(Said it don't last)
He wiped all my tears away
(He wiped all my)
It's all right
It's ok
Trouble don't last always

(Away), Away
(Away), Away he wiped
(Away)
He cared for me
(Away)
When nobody else did
(Away)
He wiped my tears away
(Away)
(Away), Away
(Away), Away
Away
