Tears of rain run down my window pane  
I'm on my own again good ev'ning sorrow.  
Sit and dream of how things might have been  
and as I close my eyes I get the strangest feeling.

Climb the stair and then I say a pray'r  
for someone who could share my situation.  
But instead as I lay down my head

I have to leave it all to my imagination.

REFRAIN :

Knock  
knock who's there ?  
Could this be love that's calling  
the door is always open wide;

Knock  
knock who's there ?  
Now as the night is falling

take off your coat and come inside.
