(Georges Chactelain/Bernard Estardy/Gilles Marchal)  
adaptation anglaise Martine Habib

When I watch you sadly calling, when all you can say is  
"no"

Let my name be sorrow, let my name be sorrow.  
When I long to see you smiling, when your fear just  
won't let go  
Let my name be sorrow, let my name be sorrow.

Once we had laughs as big as lives, we had lies as  
sweet as you  
Till one morning for us two, all was over.

When the dawn is softly showing, darkness lingers on  
your brow  
Let my name be sorrow, let my name be sorrow.  
When the roses sweetly growing, lose their petals one  
by one  
Let my name be sorrow, let my name be sorrow.

Once we had laughs as big as lives, we had lies as  
sweet as you  
Till one morning for us two, all was over.

You don't have to say "I love you" when your heart is  
far behind  
Just let my name be sorrow, let my name be sorrow.
